During the war a great number of Navaho worked for the Santa Fe Railroad. While they were working, money was deducted from their pay each month to buy bonds. Sometimes a man might quit work and go away before enough money had been accumulated to buy a bond. If he left no forwarding address, the Railroad did not know where to send his money. All the men listed below have money coming to them from the Railroad. If you find your name and Social Security number among those listed below, you can get your money by going to see Mr. P. M. Coston, Santa Fe Station, Gallup, New Mexico. Be sure to take your Social Security card with you. If you live far from Gallup, go to the nearest trader and ask him to write to Mr. Coston for you. Take your Social Security card with you and show it to the trader so he can be sure that you are the right man.
